Inspirational is just one way to describe Angela and her amazingly impactful story of achieving success. Despite being **declared legally blind at age ten**, being **severely depressed**, withdrawn and **suicidal at age 14** and going **totally blind at age 20**, Angela Winfield graduated from high school at the **top of her class**, graduated from **two ivy league institutions**, passed the bar exam and became a practicing **attorney, published author, a community leader** and successful **entrepreneur** -- all **before reaching age thirty**.

Angela shares her story and the practical skills used to overcome obstacles in her life: blindness, self-doubt, image issues, extreme shyness and lack of confidence, and how she stopped letting these things limit her in order to achieve success and attain happiness and fulfillment. **She gives her audiences and clients the four "keys" to unlocking their true potential and for O.P.E.N-ing the doors to success.** She speaks from experience in her everyday life demonstrates the strength of the human spirit- something we all possess.

Angela delivers empowering keynote addresses, workshops & seminars.

TOP 3 REQUESTED PRESENTATIONS & KEYNOTES

◆ O.P.E.N. Create A Life You Love Living

This is a powerful and content-rich, motivational and inspirational, 45-minute keynote program that will OPEN your mind, OPEN your eyes and OPEN the door to your full potential, unlimited vision and true success! Transformative only begins to describe the power of OPEN.

◆ A License to Drive Blind: Engage Your Employees, the Engine Driving Your Business

In this program, Angela gets your employees to kick productivity and creativity into overdrive. She bridges the gap between providing information and promoting implementation. She shows your employees exactly how to connect and align their personal passion and values not only to their current role in the corporation, but to the corporate mission at large.

◆ Blind Leadership: How to Lead with Vision

This program empowers managers, blind or sighted, to not merely manage employees, but to lead employees to optimal performance; meaning that employees quantitatively, give their most, and qualitatively, produce their best. Ultimately, this shift from basic level (or even superior level) management skills to inspired leadership has the potential to not only increase profits, but also to further your organization's mission and vision. Angela customizes the program to meet the particular needs of your organization and helps to bring individualized solutions into focus.

WHAT AUDIENCES ARE SAYING

"Being in Angela's powerful presence truly is a gift! She has the ability to see through your facade and connect directly with your soul to light you up from the inside out! I was completely taken with her incredibly clear and powerful vision of what is possible, and a proven system for transforming that possibility into reality. Her master key system will inspire you and guide you to access your true potential and create a fulfilling life you love."

- Carey Peters, Co-Founder, HolisticMBA.com

"Angela's story of tribulation and perseverance has touched the lives of everyone who had the opportunity to hear her speak. She, without doubt, has succeeded in motivating my sales team to put forth their best effort in every endeavor. Not only is Angela an inspiring individual, her professionalism has made her a pleasure to work with. Given the opportunity, I would not hesitate to invite her to speak at future company events."

- Matthew M. Dauksza, Managing Director The Prudential Insurance Company of America

"Inspiring, encouraging, motivational, informative, and humorous -- Angela Winfield is everything anyone could ask for in a speaker. Our students and staff continued to comment on Angela's presentation long after it occurred. Everyone who attended Angela's presentation benefitted from what she had to say. We look forward to having her back for another presentation at Cornell!"
